

**Sunday, March 24<sup>th</sup> at 3pm, Thompson Arena**

*Register Online at <https://www.gomotionapp.com/team/nhscd/page/class-registration>*

Be a part of the annual *Skating Spectacular on Ice*. The Skating Show is a **great opportunity for developing skaters to get extra ice time and apply their skating skills in new ways!**

**The Show will be a fundraiser for the James Campion Renovations**, with at least 50% of net proceeds donated to Campion.

**The show will feature:**

- Group numbers featuring SCAD Pre-School, Basic Skills, and Freestyle skaters
- Solos by some of the Skating Club's freestyle skaters\*
- Guest performances by the Dartmouth College Figure Skating Team

**Who can participate?**

All skaters who are registered for our 2024 Spring Session.

**What do you need to do?**

- Skaters must attend all required show practices for their level, the dress rehearsal, and the Skating Show (see Practice and Performance Schedule below).
- Pay a participation fee, which will be used to cover ice time, T-shirts and costumes:
  - \$60 for Pre-School, Basic Skills and/or Freestyle Skaters
  - Group number skaters will be provided with a costume at dress rehearsal. Pant and shirt color guidelines will be provided well in advance.
  - We are committed to making participation financially accessible. Financial assistance is available. Please email [sk8info@skatingclubatdartmouth.org](mailto:sk8info@skatingclubatdartmouth.org) with questions.
- **Sign-up online by Friday, March 1<sup>st</sup>**

**Looking for Show Volunteers!**

We rely on volunteers to make the Show possible: Because the show is volunteer-run, we need help from the families of all skaters. Help us support your club, support your child, and raise money for a wonderful community cause! **Show Planning & Coordination** – email [sk8info@skatingclubatdartmouth.org](mailto:sk8info@skatingclubatdartmouth.org) if you're able to help with planning!

\*Solo skaters: We cannot guarantee a solo spot for all interested skaters. The final determination will depend on the number of skaters who register, with any cut-offs determined by a skater's test level.

## Participation

Participation in the skating show is a great learning opportunity for your skater to showcase their skills! ***Please note, to ensure the show is a success for all participants, your skater must attend the required practices for their level and be enrolled in skating for the Spring term to participate. Any skater who is not able to attend the required practices will not be allowed to participate in the show with no credits or refunds provided.***
