The Show will be a fundraiser for the James Campion Renovations, with at least 50% of net proceeds donated to Campion.

The show will feature:

- Group numbers featuring SCAD Pre-School, Basic Skills, and Freestyle skaters
- Solos by some of the Skating Club's freestyle skaters*

Who can participate?

Looking for Show Volunteers!

We rely on volunteers to make the Show possible: Because the show is volunteer-run, we need help from the families of all skaters. Help us support your club, support your child, and raise money for a wonderful community cause! **Show Planning & Coordination** – email sk8info@skatingclubatdartmouth.org if you're able to help with planning!

*Solo skaters: We cannot guarantee a solo spot for all interested skaters. The final determination will depend on the number of skaters who register, with any cut-offs determined by a skater's test level.
